Boise, ID 83720-0036

Substance Abuse Prevention and Treatment Services

Help for you and your family

What help is available?

If you or a member of your family needs help with a drug or alcohol problem, you should know:

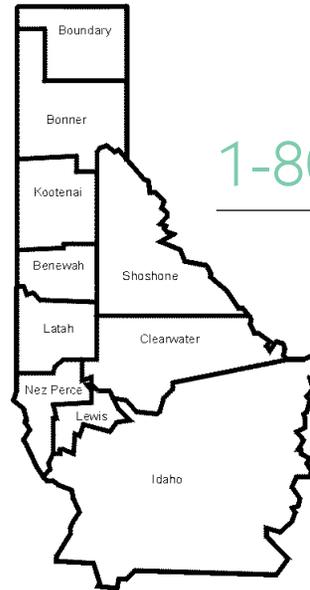

The Idaho Department of Health and Welfare provides funds to treatment providers and prevention programs throughout the state so services are available to all, regardless of ability to pay;

You can contact the program nearest you for an application for services or call a convenient 1-800 number; and

The amount you pay for services will depend on your financial situation. To qualify for assistance, you will be asked to provide financial eligibility information.

A consumer-friendly way to get help for substance abuse treatment in Idaho.
